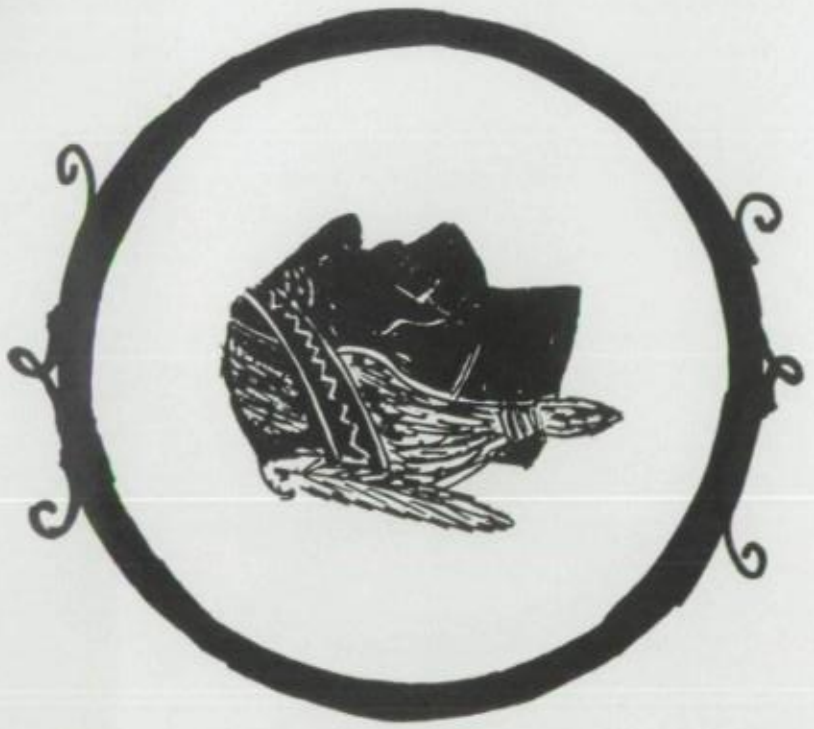
WE MADE IT

SO.

LOOKS LIKE IT



"DO YOU KNOW WHERE YOU'RE GOING TO"

Do you know where you're going to
Do you like the things that life is
showing you
Where are you going to
Do you know

Do you get what you're hoping for
When you look behind you there's no
open doors
What are you hoping for
Do you know

Once we were standing still in time
Chasing the fantasies that fill our minds
You know how I loved you
But my spirit was free
Laughing at the questions that you
once asked of me

Do you know where you're going to
Do you like the things that life is
showing you
Where are you going to
Do you know

Now looking back at all we planned
We left so many dreams slip through
our hands
Why must we wait so long before we
see
How sad the answers to those
questions can be

Do you know where you're going to
Do you like the things that life is
showing you
Do you know

Do you get what you're hoping for
When you look behind you there's no
open doors
What are you hoping for
Do you know

SUPERINTENDANT'S MESSAGE . . .

To the Class of 1984:

Congratulations to each of you upon completing your high school education.

This represents an important milestone in your lives — the beginning of your adult life.

May you always seek the best in life for your families, your fellow man, and yourself.

To achieve the best is not easy. Hard work and sacrifice lie ahead for you.

Make your life worthwhile by doing your part to make the world a better place in which you live.

May the future hold for you success, happiness, peace, and good health.

... Donald C. Springle

OUR DEDICATION FOR YOUR DEDICATION

The Class Of 1984 Dedicates This Yearbook To Mr. Donald C. Springle Superintendent Of Schools

Mr. Springle came to this school district in 1960 as Principal of the Pennsauken Campus. In 1964 he was named Superintendent of Schools and has remained in that position until the present time.

Mr. Springle has provided the leadership over the past two decades that resulted in the expansion of the Pennsauken Campus, the construction of the Gloucester Township Campus, and the creation of the Special Needs Division.

It is because of his efforts that the youth of Camden County have received a quality education, saleable skills, and career employment.

Senior Class Officers: Row 1: Mrs. Massel, Advisor, Mr. Dobbins, Advisor. Row 2: L. Willis, Y. Cross, R. Riggle, S. West

The Senior Class of 1984 ended their Junior year with a spectacular Jr.-Sr. Prom held on April 30th, 1983 with a record-breaking crowd. Fantastic dining and dancing was enjoyed by all.

This year the Senior Class has been working hard on their fundraiser - the pretzel booth. Rita Riggle and Lori Willis gave up their 6th period lunch and Bob Warwick gave up his 5th period lunch. We would like to give them our special thanks for their hard work and effort.

One of the highlights this year was the Senior Class trip to Disneyworld in Orlando, Florida. We departed on Tuesday afternoon, March 13th, and returned on Saturday evening, March 17th. We participated in many activities: two days touring and enjoying Disneyworld, one day splashing at Wet and Wild, and one day at Lake Buena Vista. Evening's included things such as a pizza party, a roller skating party, a Polynesian Luau at Disneyworld. These will be treasured memories for everyone.

The senior class officers:
PRESIDENT: Rita Riggle (Chem)
VICE-PRESIDENT: Yvonnie Cross (DE)
TREASURER: Lori Willis (Chem)
SECRETARY: Sherry West (DE)

A DAY AT C.C.V.T.S. . . .

The Blood Drive we're giving our share again this year.

It's a good feeling to know that we're contributing something needed and good to society.

A job well done always brings smiles.

We're NUMBER 1!

"Can't you tell that I'm Camera Shy?!"

Do you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you know

Do you get what you're hoping for
When you look behind you there's no open doors
What are you hoping for
Do you know?

It isn't always easy . . .

this thing called life

Plans don't always work out

the way they're supposed to

and misfortune sometimes

clouds the horizon

But . . . no matter how lonely

the morning sun becomes

we always have to remember that

It's up to us-

We're the ones

that have to push

the clouds away

Dear Readers,

I would like to take this opportunity to express our sincerest thanks and appreciation to the many people involved in helping us to make this year's yearbook one that everybody will enjoy in years to come. A very special thanks to our advisor, Sharon Naness, who assisted us constantly and helped us through many ordeals and deadlines. Other special thanks are extended to Mrs. Moss, for helping us with the Senior Spotlight section, to Mr. Bill Haines, for doing the lettering for all the divider pages, and for allowing Dave Iuliucci and Daren Thomas to be there when we really needed them. A special thanks to Ms. Maureen Kervick for allowing her DE girls to assist us in typing, to Mr. Dougherty and his business staff, who were greatly assisted by Robin Krause and Butch Gaskill in both selling ads and by doing all the lay-out for both the patrons and the ads. Congratulations to both the Editorial Staff and the Business Staff for doing such a great job this year of selling ads!

We'd also like to thank Glick Studios for the many photographs that they took, Mr. Mike Gallagher, who also helped out with last minute, second by second, photographs, to Mr. Ebbecke and Mr. Miller and to all the faculty for allowing us time from our classes to achieve our deadlines and goals, to the secretaries for all of their assistance, to our "last minute" lay-out man, John Guinta, who joined the staff when we really needed him and a thank you, once again to Mr. Vaill for providing one of his 'men' to assist when the "going got tough," to Joe DeNardo for his excellent design of the art work for the divider pages, to Jennifer Seitz, for being there when no-one else wanted to be, and to all the other people like Bruce Scott, Mary-Lou Pilarz, Rita Riggle, Theresa Valdez, Jeff Springle, Sherri West, Yvonnie Cross, Debbie Roggio, Mark Cimino, and Ralph Albano.

We hope that you will appreciate all the time and effort that we've put into this and we hope that, in the years to come, this will remind you of many good times. "This is the first day of the rest of your life."

Good luck to the entire class of 1984 in all your future endeavors.

Sincerely,

Lori Willis

Student Council

Student Council is largely represented by each homeroom. Every year each homeroom votes for one representative and one alternate member. At the end of each year every student must vote on new officers for the following year.

The purpose of Student Council is to represent the students by offering ideas and opinions to the council for the student body. Some special activities sponsored during the 1983-1984 year included: Pumpkin weight Guessing Contest, Christmas Party, and a week of spirit.

Camden County Junior Miss . . . 1984 . . .
Miss Mary Lou Pilarz

The Camden County Junior Miss Program is designed to honor high school senior girls for their qualities of scholarship, talent, leadership, and civic activities, poise, and demeanor. This program is sponsored by the Collingswood-Haddon Township- Oaklyn Jaycees.

This Year I was chosen to represent our school at the Camden County Junior Miss Pageant which was held on November 26, 1983. Many hours of practice were spent preparing for this activity, beginning in mid-October with a 'get acquainted social. At this time I met the contestants from nineteen other high schools and who soon became friends as we prepared for the pageant. The rehearsals leading up to the pageant were filled with hard work, though it was not without pleasurable moments. The cooperative effort exerted by everyone had only one purpose- to ensure a good pageant. There was no attempt to "play up" the competitive aspect. I'm sure the friendships made during this time will last for many years.

I extend my gratitude and appreciation for everyone's support, but I would especially like to thank Mrs. Moss, my sponsor during this program, for her guidance.

The C.C.V.T.S. Varsity soccer team had a very successful year, finishing the regular season with a 9-9-1 record. This was the most wins recorded by any C.C.V.T.S. soccer team. Our Warriors went on to tournament and played an excellent game, but were eliminated.

The team loses nine starter seniors this year, but we look forward to another successful season in the fall.

VARIETY

For the first time in the history of Camden County Vocational Technical High School, the Auto Body I & II Shops decided to show the school, teachers, and administrators that they wanted to exhibit their finest appearances since it would not be long until these young men would be entering the professional world of their trade. Therefore, these young men, encouraged by their instructor, Mr. Robert Haman, to set a good example for the entire student body, displayed not only their finest clothes but also their finest character. These men have started this year an annual tradition of "dressing up," to show that all students in this school are not only learning a trade but are maturing and developing their self-confidence. These shops wanted to do something special and original: they wanted to be remembered for years to come.

PATRONS

Now looking back at all we planned
We let so many dreams slip through our hands
Why must we wait so long before we see
How sad the answers to those questions can be

Do you know where you're going to
Do you like the things that life is showing you
Do you know

PATRONS
